

Traveling Internationally?

It's important to let Florida Credit Union know when you're planning on traveling internationally. This is to ensure that there will be no disruption to the accessibility of your accounts while you're out of the country.

It's easy to let us know!

Visit www.fcu.org/member/forms.asp to fill out a Notice of International Travel form. This form must be completed at least two weeks prior to travel. Be sure to include all of the countries to which you'll be visiting - including countries where you may have a layover and still need to use your credit or debit card.

Checked for blocked countries

FCU can show you a list of countries that are currently blocked from access by federal law. These countries change regularly based on patterns of fraud. If the country(ies) you plan to visit are on this list, we may be able to unblock them for you for the duration of your visit. This list is available at www.fcu.org/credit/internationaltravel.asp.
