

EXPANDING YOUR BUSINESS?

Contact us for a Small Business Loan.

When business starts taking off...

that's a good thing! But a growing business needs proper financial support to keep it heading in the right direction. That's where Florida Credit Union comes in.

Our business loans are the perfect way to expand your space, buy new equipment or simply ease your cash flow. We offer:

- Competitive rates and fees
- A variety of loans including lines of credit and credit cards
- Easy, 24-hour account access
- Other business services including checking and savings accounts
- Professional, personalized service
- Decisions made locally
- Longest lobby hours in the area

As a local, community lender we have the flexibility to work with you to meet your specific needs. And as a full-service financial institution, we have plenty of resources to get your business moving, and keep it running smoothly.

Call us today for more information, or visit us online at www.flcu.org.
