

Florida Credit Union Credit Card Set up with 0% APR in Store

There are many exciting enhancements to Florida Credit Union's Visa Credit Card. Watch your credit score and get 0% introductory APR on new purchases and balance transfers.

The first enhancement is the single sign-on for your FCU accounts and your credit card. You no longer need to log onto a different site to check your credit card information. Now you can look at your history, view statements (see yourself over into 13 Months past production December).

Another change of this new feature, you will receive an your credit card up to receive through home banking. This is an easy process that takes longer than 1 minute. Our staff will help you through the process.

STEP ONE

Go to www.fcu.org and log on to FCU in Store. When you have successfully logged in you will see a screen Florida. Click on your credit card as indicated in the picture. If you have another one you can select with one account, click other one.

The screenshot shows a web browser window displaying the Florida Credit Union website. The page is titled "Florida in 10/20/2013 Home (pending)". The main content area is titled "My Credit Card" and contains several sections for managing credit cards:

- My Existing Accounts:** A table with columns for Card Number, Cardholder Name, Account Number, and Cardholder Address. A red arrow points to the "Card Number" column.
- My Existing Accounts:** A table with columns for Card Number, Cardholder Name, Account Number, and Cardholder Address. A red arrow points to the "Card Number" column.
- My Existing Accounts:** A table with columns for Card Number, Cardholder Name, Account Number, and Cardholder Address. A red arrow points to the "Card Number" column.
- My Existing Accounts:** A table with columns for Card Number, Cardholder Name, Account Number, and Cardholder Address. A red arrow points to the "Card Number" column.

A red arrow points to the "Card Number" column in each of the four tables. A red arrow also points to the "Card Number" column in the first table. A red arrow points to the "Card Number" column in the second table. A red arrow points to the "Card Number" column in the third table. A red arrow points to the "Card Number" column in the fourth table.
